In re Application of  
William Paul Wanker  
Application No. 09/290,006  
Filed: April 11, 1999  
Attorney Docket No. 001

This is a decision on the petition under 37 CFR 1.137(a), filed April 2, 2003, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely reply to the non-final Office action mailed April 24, 2002, which set a three (3) month statutory period for reply. No response was believed to have been received within the allowable period and the application became abandoned on July 24, 2002. A Notice of Abandonment was mailed January 27, 2003.

The instant petition was accompanied by a copy of the response to the non-final Office action showing a certificate of mailing under 37 CFR 1.8 dated September 11, 2002, albeit unsigned. A review of Office computer records reveals that a check in the amount of \$200.00 was received on September 16, 2002, in order to obtain an extension of time within the second month to make the response filed September 11, 2002, timely. The evidence is convincing that the reply to non-final Office action was mailed on, or about September 11, 2002, and received by the Office, but subsequently misplaced.

The Change of Correspondence Address filed July 9, 2003, is noted and made of record.

The file is now being forwarded to Technology Center 2100 for further processing.
